Lower jaw samples

If you harvested a fallow deer, you are required under special EDM conditions to remove and send the lower jaw of each fallow harvested to the DPI Game Licensing Unit.

Lower jaw bones must be cleaned and boiled prior to sending; penalties may apply for non-compliance. Please refer to the *Buck ID and Jaw Extraction Guide* for instructions on removal.

Use **two (2) plastic zip lock bags**. Place the jaw in the first zip lock bag, then place the first zip lock bag and this EDM Harvest Return form together inside the second zip lock bag.
