

AQUARIUM COLLECTION PERMIT APPLICATION

Fisheries Management Act 1994

Office Use Only

INW...../.....

This form is to be completed in full when applying for a permit under section 37 of the *Fisheries Management Act 1994* to authorise the taking and possession of fish or marine vegetation for the purpose of aquarium use.

To avoid delays or refusal, this form should be completed in full with supporting information, **including maps** and contact details attached. It is important that all information is provided, as any change in dates, fish species or location may affect the conditions of the permit or render the permit invalid.

Generally aquarium collection permits are not issued for:

- the collection of marine vegetation
- collection activities within aquatic reserves
- collection activities within Clifton gardens (seahorse research project).
- collection activities within areas subject to Section 8 closure such as Korogoro Creek at Hat Head.

Applications are considered on merit and the issue of a permit is not guaranteed. Factors considered include the proposed fishing method/s, quantities of fish and sustainability of the resource. Please allow up to four weeks for the processing of the application. **Please note an application fee of \$61 applies.**
