

Section 37A - Fisheries Management Act 1994

This form is to be completed in full when applying for a permit under section 37A of the Fisheries Management Act 1994 to authorise the possession of fish for sale (by auction / raffle) for a charitable purpose.

To avoid delays or refusal, this form should be completed in full with supporting information and contact details attached. It is important that all information is provided, as any change in dates, fish species or location may affect the conditions of the permit or render the permit invalid.

Applications are considered on merit and the issue of a permit is not guaranteed. Factors considered include the proposed fishing method/s, quantities of fish and sustainability of the resource. Please allow up to three weeks for the processing of the application.

Please note that an application fee of \$63 applies. Please see the current fee schedule at www.dpi.nsw.gov.au for details.

Is this a new application or a replacement of an existing/expired permit? _____

If replacement please provide the existing/expired Permit Number _____
