### STOCK DISEASES ACT 1923

#### PROCLAMATION

PROCLAMATION to restrict the importation and introduction into the State of certain stock on account of footrot.

G. SAMUELS, A.C., C.V.O.,  
Governor

I, the Honourable GORDON SAMUELS, A.C., C.V.O., Governor of the State of New South Wales, with the advice of the Executive Council in pursuance of section 11B of the Stock Diseases Act 1923 ("the Act"), and being of the opinion that any sheep or goats originating from or which have moved through a residual area might be infected with footrot or might carry or spread footrot, restrict the importation and introduction into the State of any sheep or goats from a residual area, as set out in the Schedule.

#### SCHEDULE

Sheep or goats originating from or which have moved through a residual area outside of the State must not be brought into a protected or a control area of the State unless:

- (a) the sheep or goats are transported in a vehicle directly to an abattoir, where the sheep or goats are slaughtered, a slaughter only sale, or another residual area; or
- (b) the sheep or goats are transported in a vehicle directly to an approved feedlot; or
- (c) the sheep or goats are not infected with footrot and the sheep or goats are accompanied by a completed Owner/Vendor Declaration form, and that declaration is given to the person to whom the sheep or goats are delivered; or

- (d) the sheep or goats are moved in accordance with a written permit under section 7 (6) of the Act, or an order under section 8 (1) (b) of the Act, issued by an inspector in circumstances that are of a kind approved from time to time by the Chief, Division of Animal Industries.

**Note:** There are no restrictions on the movement into the residual area of the State of sheep or goats from a residual area outside of the State. However, there are restrictions on the movement of such stock from the residual area of the State into the protected and control areas of the State. These restrictions are contained in a Notification in which the Minister for Agriculture, pursuant to section 11A of the Act, has declared the protected and control areas as regards footrot in sheep and goats. For further information, contact the New South Wales Department of Agriculture on (02) 6391 3215.

#### Definitions

In this Proclamation:

**approved feedlot** means a feedlot that transports all its stock directly to slaughter, and is authorised in writing by the Chief, Division of Animal Industries as a feedlot to which stock from any part of the residual area may be moved;

**directly** means without off loading sheep or goats from a vehicle en route;

**Owner/Vendor Declaration form** means an owner/vendor declaration of flock status for footrot form, as approved from time to time by the Chief, Division of Animal Industries;

**protected or a control area** means a protected or a control (protected) area as regards footrot in sheep and goats, as declared by the Minister for Agriculture pursuant to section 11A of the Act;

**residual area** means Victoria and Tasmania and those areas of the State of New South Wales which have not been declared protected or control areas under section 11A of the Act;

**slaughter only sale** means a sale for the appropriate class of sheep or goats that are held in accordance with the written approval of a Senior Field Veterinary Officer;

**Note:** It is an offence under section 20 of the Act to contravene a provision of this Proclamation. Maximum penalty for such an offence is \$11,000.

Signed and sealed at Sydney this 6th day of September 2000.

By His Excellency's Command

RICHARD AMERY M.P.,  
Minister for Agriculture  
and Minister for Land and Water Conservation
