

FisherMobile app

Key Dates

OCTOBER/NOVEMBER

– training sessions held for FisherMobile App

DECEMBER

1 Dec: quota reporting must be submitted via FisherMobile app

The FisherMobile app is an easy to use mobile application to assist NSW Commercial Fishers in reporting fishing activity. Fishers can:

- » lodge catch and effort reports for quota and non-quota based fishing activity
- » lodge real time fishing activity reports such as pre-fish, pre-land and/or post-land reports
- » lodge threatened and protected species reports
- » report lost and found gear reports
- » lodge nil returns
- » access quota balance information
- » view digital authority information (if opted in) for commercial fishing licences and fishing business endorsements
- » manage their PIN
- » view their FisherMobile activity log
- » change current user

Training sessions

For those who don't currently use FisherMobile, training sessions will be held at various locations along the NSW coast to demonstrate how easy it is to use. Fishers will be advised once dates, locations and times for the training sessions are confirmed.

What will change on 1 December 2017

Fishers in quota managed fisheries must report their quota usage via the FisherMobile app

What quota based fishers will need to do before 1 December 2017

1. Ensure you have access to a smartphone or mobile device
2. Register to use FisherMobile by visiting www.dpi.nsw.gov.au/commfish/fishermobile
3. Download and learn how to use the FisherMobile app

We're here to help

We know some fishers will not be familiar with this new online self-service system. A range of user guides and video demonstrations are available to help you learn about and use the system via www.dpi.nsw.gov.au/commfish/fishermobile.

If you are still experiencing any problems please call Fishing Business Services on 1300 720 662.
