Keynote speaker

Cristian Sylvestre is the Principal of SafeTrain, providing OHS and environmental consultancy services, training and auditing to Australian businesses. He is a professional speaker that has worked as an OHS and environmental professional. He specialises in human error prevention - not from a psychological or academic perspective - but from a practical one.

Dinner speaker

Klinton Hoare is a renowned motivational speaker. He is known across corporate Australia for his 'lifestyle bits, personal development tips and health snippets'. His passionate, contagious and motivating personality inspires audiences on how they too can become more productive, successful and happier in their life, work, and the balance between the two.
