Have approvals been obtained or discussed with applicable government agency? If yes, outline details (please delete or circle as appropriate) Yes / No / Pending / N/A

- 8. Background** (Include the identified need for the proposed project and what issue the project will address. For degraded areas, describe the impact/cause of degradation and outline how the project will remove or mitigate this cause – include photos of degraded habitats).

Small grant – maximum \$2,000 (excluding GST)

9. Project objectives Please list what you plan to achieve

10. Benefits Describe direct benefits to recreational fishing.

11. What are your planned outcomes?

Riparian fencing	(km)	Revegetation	(km) (ha)
Weed management	(km) (ha)	Wetland rehabilitation	(ha)
Re-snagging	(no. of snags)	Erosion protection	(km) (NOT revegetation)
Educational resources	(e.g. no. of signs/ brochures)		

Other (please describe):

12. Methodology How do you propose to carry out the project? Describe the stages of the project, including timeframes for each stage, and the methods and personnel that will be employed at each stage. Attach plans or diagrams where applicable.

13. Project consultation and support Who have you spoken to about this proposal? Attach letters of support or expert advice. Note: preference will be given to applications which demonstrate recreational fisher support and/or involvement.

Small grant – maximum \$2,000 (excluding GST)

14. Maintenance Please provide detail as to what activities will be implemented at the project site to promote general care and survival of the works once works have been completed. Include who will be responsible for these activities.

15. Budget Provide a full cost breakdown of the total project including the project items for which you are seeking a Habitat Action Grant and those that do not require Habitat Action Grant funding, including in-kind support (noting the requirement for dollar for dollar matching support).

Note: a maximum of \$2,000 (excluding GST) can be sought for individual project applications using this application form.

Good and services tax (GST):

- If you, or the organisation administering the project, are registered for GST, please quote GST exclusive costings in your budget. The Trust will add GST to your grant payment.
If you, or the organisation administering the grant, are not registered for GST, you will stay pay GST on goods and services, therefore you need to quote GST inclusive prices in your budget

Example Budget

Table with 4 columns: Project item: Description of activity item, quantity & cost per unit; Total cost per item; Funding Habitat Action Grant; Funding other (applicant in-kind, voluntary, other grant etc). Includes example rows for Weed Control, Native tubestock, and Voluntary labour, with a total row at the bottom.

Small grant – maximum \$2,000 (excluding GST)

Your Project Budget

Please be realistic with costings
Add more rows as required.

Table with 4 columns: Project item: Description of activity item, quantity & cost per unit; Total cost per item; Funding Habitat Action Grant; Funding other (applicant in-kind, voluntary, other grant etc). The table contains 4 empty rows and a final row with blue borders.

16.

Small grant – maximum \$2,000 (excluding GST)

Milestones Break your project down into major steps some of which can be linked to a funding payment instalment. Please ensure a minimum of 10 % of the total Fish Habitat Action Grant requested is linked to the submission of the Final Report.

Table with 4 columns: Proposed Milestone Date (insert timeframe in months), Milestone description, Funding Payment %, and Funding Payment \$. Rows include: 0 months (Execution of Funding Agreement), months ([insert activity reached to achieve payment]), months, and months (Completion of program and submission and approval of final report by NSW DPI and RFT).

BEFORE YOU SUBMIT

Please ensure you meet the program's requirements BEFORE submitting your application. Applications may not be assessed if you do not have the following, if you do not have any of these, please explain:

Table with 2 columns: Question and Y/N. Questions include: Minimum dollar for dollar (1:1) matching funds, either in-kind support or dollars?; Involvement or support from local recreational fishers/fishing club?; Letters of support and contact details from landholders and other stakeholders/partners involved in the project?; Obtained technical advice from NSW DPI Fisheries where applicable; Included a map and photographs of the proposed project site?; Answered all the questions in the application form?
