Privacy Notice: The NSW Department of Primary Industries (NSW DPI) collects and holds personal information about livestock producers and veterinarians for the purposes of administration of the NSW Ovine Brucellosis Accreditation Scheme. The supply of information is voluntary, however without it NSW DPI may not be able to accept the participation of the producer or veterinarian in the Scheme. NSW DPI may provide the information to Local Land Services to facilitate disease control and publishes a list of accredited flocks on its website. A producer or their approved veterinarian may access and correct their personal information by contacting the NSW DPI MAP Administrator.
