IMPORT LIVE FISH PERMIT APPLICATION

Office Use Only INW
Initials & Date

Complete this application if you want to import live fish (that is listed as a prohibited species) into NSW from interstate, for the purpose of aquaculture, and require a section 217 import permit. Refer to the last page of this form for a list of prohibited species under the Fisheries Management (General) Regulation 2019.

Note: you must hold a current aquaculture permit. If your aquaculture permit does not currently authorise the species you want to import, for the estuary or location in which you want to import the species, you must also apply to vary your aquaculture permit to add the proposed species to your permit.
