

Application for biosecurity registration - non-indigenous animals

Biosecurity Act 2015

Use this form to apply for, vary or renew a non-indigenous animal biosecurity registration.

It is an offence under the *Biosecurity Act 2015* (the Act) to deal with the following non-indigenous animal species listed in Schedule 4 of the Act, unless authorised under the *Exhibited Animals Protection Act 1986* or *Animal Research Act 1985*.

1. *Antilope cervicapra* (blackbuck)
2. *Camelus dromedarius* (dromedary camel or Arabian camel), unless the animal is in any part of New South Wales other than the Western Division and is permanently identified in a manner approved by the Secretary
3. *Lama guanicoe* (guanaco)

The information requested in this form will enable the NSW Department of Primary Industries (the Department) to process your application, as prescribed in the Act.

How to submit this form

- Email to bfs.admin@dpi.nsw.gov.au
- Mail to: NIA Registration
Biosecurity & Food Safety
NSW Department of Primary Industries
PO Box 232
TAREE NSW 2430

Registration period

A non-indigenous animal biosecurity registration issued under the Act will be valid for five years.

Prescribed fee

- New application – A fee of \$720 (incl. GST) is payable at the time the application is submitted for approval.
- Renewal application – A fee of \$420 (incl. GST) is payable at the time the application is submitted for processing. Renewal fee will apply to existing license holders under the *Non-Indigenous Animals Act 1987* subject to NSW DPI holding all relevant information.
- Variation – a proportionate fee of up to \$70 (incl. GST) per hour may be charged for a variation to the registration. The application should be completed and submitted, and an invoice will be sent to the applicant for payment.

Conditions of registration

Prior to submitting this form you will need to note that depending on the biosecurity risk or biosecurity impact of the non-indigenous animal you are seeking to register, you may be required to:

- Meet specified standards;
- Carry out specific works, or put in place specified measures;
- Cooperate with, or arrange for, mandatory biosecurity audits;
- Take out and maintain a policy of insurance that indemnifies you against any liability to which you may become subject to in connection with this dealing; or
- Provide a financial assurance to secure or guarantee funding for or towards the doing of anything required in connection with this dealing.

If any of these are required, the Department will contact you to discuss before the application is granted, varied or renewed.

Notification

You will be notified of the outcome of the application by email where supplied, or otherwise by post.

If the information you provide is incomplete you will receive a single request for supplementary information. If you then fail to provide a satisfactory reply within 60 days the application will be rejected. You will have to pay the application fee as well as submit a completed application form for a new application to be assessed.

Contact us

For all biosecurity matters please contact the Department on 1800 808 095 or biosecurity@dpi.nsw.gov.au.

If you need assistance completing this form, please contact the registration and licensing team at the Department of Primary Industries on 02 6552 5000 or bfs.admin@dpi.nsw.gov.au

1. Type of application *(select one only)*

New application Variation Renewal

a) Please provide your existing Non-Indigenous Animals licence / Biosecurity registration number if known:

b) For variation, please briefly describe the variation you seek:

2. Applicant details

Complete (i) for individual / partnership details

Complete (ii) for company / trust / association details

(i) - Individual

Confirmation of owner identity needs to be provided with the attachment of a copy of one of the following certified by a Justice of the Peace:

- Drivers Licence
- Passport or other photo ID
- Birth Certificate (this needs to be accompanied by at least two current utility or rate accounts).

Family Name

Lot and DP numbers
of the property

I declare that I have the right to occupy the above mentioned property premises, to use the premises for housing the prescribed non-indigenous animal(s) subject of this application, and to do anything on those premises which may be required under the *Biosecurity Act 2015* and *Biosecurity Regulation 2017*. I agree to notify NSW DPI of any change in circumstances that affect the accuracy of these statements.

Name

Signature

Date

Please **attach** a map of the property that shows all enclosures, buildings, yards, paddocks, main property entry gate and boundary gates. Also indicate which features that will be used to house or manage the animal(s).

6. Animal Details

6.1 What species of non-indigenous animals are proposed to be kept?

See Schedule 4 of the *Biosecurity Act 2015* for species. A separate application form will need to be completed for each species.

Scientific name

Common name

6.2 Sex, age and identification details of the animals kept under registration. If you need additional room, please attach a sheet with details of other animals.

Sex (M/F/U*)	Desexed (Y/N/U*)	Age (Years)	Microchip number/Radio Frequency Identification tag number	Name and physical features of animal that may assist with identification
-----------------	---------------------	----------------	---	---

*M = male Y = yes
F = female N = no
U = unknown

6.3 a) Are the animals being imported in to Australia?

Yes

No, go to question 6.4

b) If Yes, do you hold an import permit from the Australian Government Department of Agriculture and Water Resources?

Yes

No

Please **attach** a copy of the import permit.

6.4 How do you intend on acquiring or purchasing the animal(s)?

Please **attach** evidence of your purchase or acquisition if you already have the animal(s) in your possession.

7. Purpose of registration

7.1 What is your purpose for keeping these non-indigenous animal(s)?
Indicate if they are part of a proposed business activity.

7.2 Will the animal(s) be held on a permanent or on a temporary basis?

Permanent

Temporary - If Temporary, please specify a period of time

Please explain the arrangement and **attach** a copy of any evidence to support this arrangement (such as a contract):

7.3 Do you want to breed the animal(s)?

Yes

Provide a justification for why this should be allowed.

How will you ensure excessive animals are not produced?

No

How will the animals be segregated or breeding prevented?

7.4 What is the maximum number you propose to carry in the secure areas? Provide your carrying capacity calculations or other justification for this number.

7.5 a) Do you intend to have the animal(s) interact with the general public?

Yes, please describe the nature of interaction between the animal(s) and members of the public and safety strategies that will be in place e.g. details about general public-animal interactions on a camel ride.

No, please go to question 8

b) Do you have public insurance that will cover the proposed activities between the animal(s) and members of the public?

Yes, please **attach** evidence of public risk insurance

No

8. Security Details

8.1 Provide a description of the enclosure/paddock area where the animal(s) will be kept.

Attach evidence (detailed drawings and photographs) of all fencing and other structures to be used for the registered animal(s) and indicate fence heights.

a) Enclosure/paddock dimensions

b) Description of enclosure/fencing (include: fencing materials, mesh size, fence heights, use of electric fences or electric wires, gate heights, type of fence posts used as well as other construction materials)

8.2 What extra precautions will you take to ensure that escape, theft or unauthorised release do not occur?

8.3 Describe the vegetation and terrain of the area surrounding the property and indicate whether it would be easy to recapture an animal if it escaped.

8.4 Please provide details about any other species proposed to be held in the same or adjoining enclosures/paddocks.

8.5 Please provide details about the management of pest animals at the property to ensure the registered animal enclosure fences are not damaged by pest animals attempting to burrow, jump or climb into the enclosure.

8.6 Please provide details relevant to the management of natural disasters (such as bushfires, floods, droughts) or other events that may threaten the integrity of the security of the animal(s), such as trees falling on fences or enclosures.

a) What is the risk of natural disasters or other events affecting the proposed property?

b) What measures are in place to ensure animal(s) will not escape or need to be removed in the case of a natural disaster or other event?

c) Can you ensure that you will have enough feed for grazing animal(s), even in drought or after a fire (Yes/No)? How?

Note: Agistment is generally not permitted

8.7 You must ensure the security of the animal(s) through inspections conducted at least every seven days. You will also be required to report the theft, release or escape of an animal to NSW DPI within 24 hours of learning of the event.

How will you ensure these conditions are met in the case of holidays or unexpected absences from the property?

9. Skills, knowledge and experience

9.1 What experience do you (and the manager or person in charge) have in managing this species? If none, how do you propose to gain suitable experience?

9.2 What do you understand to be the special characteristics of this species that must be considered in owning/managing them?

9.3 How do you propose to feed the animal(s) and meet their other specific needs?
Explain the proposed feed type, feeding and management practices.

9.4 Will movement of the animal(s) be required off the registered premises, for example, to receive veterinary or other specialist care?

No, please go to question 9.5

Yes, please provide the details of those persons and properties to which the animal(s) may be required to move. Please attach a list of persons and properties if there is more than one.

Name of individual, business or veterinarian

If a company, name of contact person

Phone

Email

Residential or business address

Suburb

State

Postcode

9.5 **Attach** letter from a veterinarian demonstrating his/her willingness to undertake any necessary treatment of, or procedures on the animal(s) you plan to hold.

9.6 Please identify alternative arrangements that could be made if you were no longer able to keep or care for the animal(s).

9.7 Is there anyone on the property licenced to use a firearm?

No

Yes, please provide Name and Licence Number

10. Applicant background

10.1 Has the applicant/proposed owner/proposed manager had a registration/permit application refused in NSW or any other jurisdiction?

No

Yes, please provide details:

10.2 Has the applicant/proposed owner/ proposed manager been found guilty of an offence under any of the following Acts, regulations or any other law:

<i>Biosecurity Act 2015</i>	Yes	No
<i>Biosecurity Regulation Act 2017</i>	Yes	No
<i>Biodiversity Conservation Act 2016</i>	Yes	No
<i>Exhibited Animals Protection Act 1986</i>	Yes	No
<i>Prevention of Cruelty to Animals Act 1979</i>	Yes	No
<i>Animal Research Act 1985</i>	Yes	No
<i>Non-Indigenous Animals Act 1987</i>	Yes	No
<i>National Parks and Wildlife Act 1974</i>	Yes	No
Any other Act, Regulation or law	Yes	No

If you answered yes for any of the above, please provide full details, including the person involved, offence, year, plea entered, sentencing and any convictions recorded.

If you require more space please attach additional pages.

11. Privacy statement

This information is collected by the collecting agency identified in this form in relation to its functions under the *Biosecurity Act 2015*. This agency/s and the NSW Department of Industry may use and disclose this information as reasonably necessary for the purpose of performing biosecurity risk functions under, or reasonably contemplated by, the *Biosecurity Act 2015*.

12. Declaration

I note that depending on the biosecurity risk or biosecurity impact of the non-indigenous animal/s I am seeking to register, I may also be required to:

- meet specified standards and works as specified on the issued biosecurity registration;
- carry out specific works, or put in place specified measures;
- cooperate with, or arrange for, mandatory biosecurity audits;
- take out and maintain a policy of insurance that indemnifies me against any liability to which I may become subject to in connection with this dealing; or
- provide a financial assurance to secure or guarantee funding for or towards the doing of anything required in connection with this dealing.

I declare that the information contained in this application is complete and accurate.
