

# Oyster aquaculture lease sign specifications

March 2014

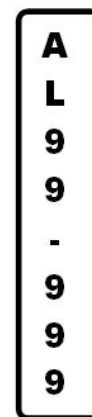

The NSW Oyster Industry Sustainable Aquaculture Strategy 2014 provides specifications for lease signs so that lease holders can manufacture their own signs or have them commercially manufactured to a common industry standard.

An oyster aquaculture lease sign must be attached to each lease corner post. The oyster aquaculture lease sign must meet the specifications prescribed in the table.

## Oyster aquaculture lease sign specifications

|                     |                        | Diamond Square         | Vertical Rectangle     |
|---------------------|------------------------|------------------------|------------------------|
| Sign specifications | Size                   | 300mm x 300mm          | 100mm x 500mm          |
|                     | Material               | Marine Grade UV Stable | Marine Grade UV Stable |
|                     | Finish                 | Rounded corners        | Rounded corners        |
|                     | Colour                 | White                  | White                  |
| Lettering           | Minimum Character size | 60mm high x 25mm wide  | 50mm high x 25mm wide  |
|                     | Colour                 | Black (UV Stable)      | Black (UV Stable)      |
|                     | Wording                | Oyster Farm            |                        |
|                     | Numbering              | Lease number           | Lease number           |
