e) Mandatory requirements for movement of carrier into NSW

- i. I am the owner and/or manager of the pigs described above.
- ii. The pigs are from a herd that is not known to be infected with *Brucella suis*.
- iii. The pigs are [select one]:
 - being transported directly to an abattoir for slaughter within 7 days of leaving their property of origin; or
 - from a herd that tested negative for *Brucella suis* within the 30 days immediately preceding their movement into New South Wales (NSW); or
 - over 6 months of age and have tested negative for *Brucella suis* within the 30 days immediately preceding their movement into NSW; or
 - from an accredited brucellosis free herd; or
 - from Queensland and accompanied by a *Record of Movement Porcine Brucellosis Carriers (Veterinary Practitioner)* completed and signed by a registered veterinary practitioner. The movement of the pigs must occur within 14 days from its date of issuance, and must be provided to the relevant Local Land Services within 2 working days of reaching the destination described in Part d).
- iv. A copy of a Carrier Biosecurity Certificate will accompany the pigs at all times.
- v. The movement of the pigs must occur within 14 days from the date the Carrier Biosecurity Certificate was given by an authorised officer and this Record of Movement form is completed.
- vi. This Record of Movement form and the Carrier Biosecurity Certificate must be provided to the relevant Local Land Services within 2 working days of reaching the destination described in part d).

Declaration

I hereby declare that the mandatory requirements described in (e) have and will be complied with and all information contained in this record is true and accurate.
