My completed questionnaire should only be published on the Department of Primary Industries website once my personal details are removed.

I do not want the RFA's renewed. Great Southern Forest (GSF) Brief is a sensible approach to native forest management for beauty, canopy, culture, habitat, heritage, jobs, oxygen, soil, water, wildlife, climate mitigation and carbon sequestration. NOT logging for woodchips! The logging industry in the south east is losing money and not creating jobs, Reforestation and tourism will create jobs.

Other interests:

Not effective

How effective do you
think the RFAs have
been :

Dont touch the forests, protect them, not for woodchips to china !!!!

What elements would
you want to see
retained and remain
unchanged :What elements would
you want to change?:

Dont touch the forests, protect them, not for woodchips to china !!!!!

Simplifying the RFAs
and removing
redundant or
duplicated
commitments?:

Don't know

Maintaining a strong
focus on triple bottom
line outcomes?:

Important

Updating references to
legislation, codes of
practice or new
regulation? :

Important

Alignment with
contemporary policies
and programs?:

Don't know

Alignment with the
National Forest Policy
Statement and global
agreements on
sustainable forestry?:

Important

Improving review and
reporting
requirements:

Important

What improvements
could be made to the
five yearly review and
consultation
processes?:

I do not want the RFA's renewed.
