Given name :

Family name:

Organisation:

Mobile phone:

Email:

My completed questionnaire should only be published on the Department of Primary Industries website once my personal details are removed.

To publish or not to publish:

Logging should be stopped in the RFA. Allow camping and pets (on tethers and with owners cleaning up fully) to help promote the beauty to each generation, but no logging unsustainable areas anymore.

Select your interests:

Other interests:

We need to protect all areas.

How effective do you think the RFAs have been :

No logging

What elements would you want to see retained and remain unchanged :

What elements would you want to change?:

Simplifying the RFAs and removing redundant or duplicated commitments?:

Maintaining a strong focus on triple bottom line outcomes?:

Updating references to legislation, codes of practice or new regulation? :

Alignment with contemporary policies and programs?:

Alignment with the National Forest Policy Statement and global agreements on sustainable forestry?:

Improving review and reporting requirements:

What improvements could be made to the five yearly review and consultation processes?:

What improvements could be made to support the day-to-day implementation of RFAs?:

What further research and monitoring could be important to consider for future RFAs?:

What improvements could be made to RFA related communication?:

What improvements could be made to the RFA implementation framework to support a rolling extension mechanism?:

What other improvements could be made to the RFA framework?:
