

Download FisherMobile to Your Device - Android

This user guide will help you set up FisherMobile as an application shortcut icon added to your device's Home Screen.

Before You Start

You will require:

- Internet connectivity

Step By Step Instructions with Device Screenshots

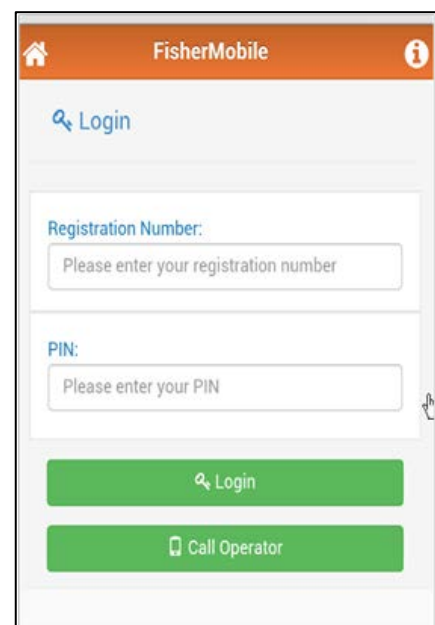

Step 1 – Locate FisherMobile

- Launch Chrome on your mobile device and navigate to the DPI NSW website for FishOnline containing the FisherMobile icon as displayed on the right.
- Tap the icon and this will launch the web page you want to pin to your home screen.
- Alternatively you may [Download FisherMobile](#) by clicking this link

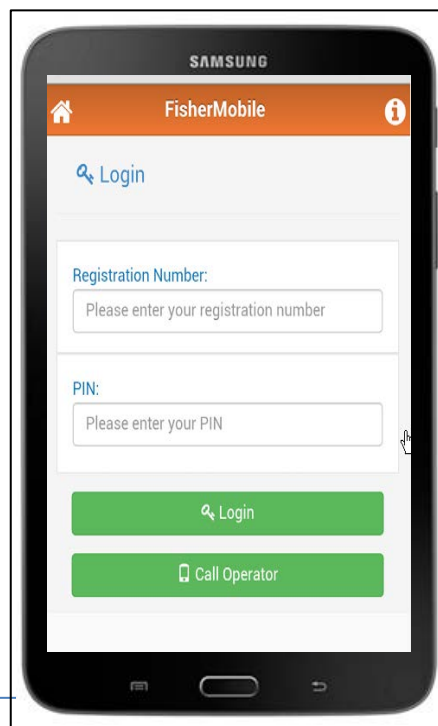

Step 2 – Load FisherMobile

- The Fisher Mobile Login Screen will have loaded on the browser.

Step 3 – Add to Home Screen

- Tap the menu button on your device.

- Smart Phone with menu button

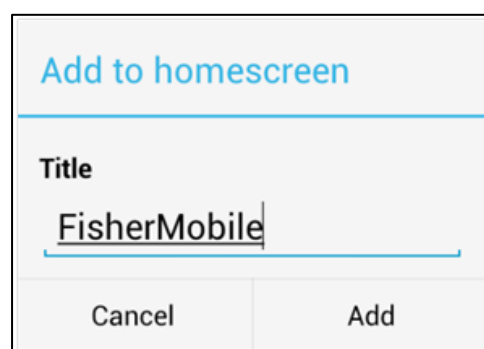

Step 4 – Add to Home Screen

- Select the “Add to Home Screen” option.

Step 5 – Add to Home Screen

- You may then enter a name for the Shortcut. We recommend using “FisherMobile”.
- Tap add and Chrome will then add it to your home screen.

Step 6 – Check Your Home Screen

- The icon will appear on your home screen like any other app shortcut or widget.
- You can drag it around and put it wherever you like.
- Chrome for Android loads the website as a “web app” when you tap the icon.

NOTE: Each android device will have slight variations on how to pin an app to a home screen. If these instructions are not helpful, please contact FishOnline support for assistance.
