To publish or not to publish: I confirm that my completed questionnaire does not contain sensitive information and can be published in full on the Department of Primary Industries website.

Select your interests: Conservation reserve system, Threatened species, Aboriginal connections to forests, Heritage values, Recreation and tourism

Other interests: These valuable and irreplaceable assets belong to the population of Australia not just a few in the timber industry. These assets should be used to protect and conserve or threaten species and utilised to increase tourism and activities including; walking and mountain bike.

How effective do you think the RFAs have been : Not effective

What elements would you want to see retained and remain unchanged :

What elements would you want to change?: No logging of native forest. Maintained for biodiversity and to protect our threatened species. Increased use by all Australians for leisure so all gain not just a few from these valuable resources.

Simplifying the RFAs and removing redundant or duplicated commitments?: Important

Maintaining a strong focus on triple bottom line outcomes?: Very important

Updating references to legislation, codes of practice or new regulation? : Not very important

Alignment with contemporary policies and programs?: Not very important

Alignment with the National Forest Policy Statement and global agreements on sustainable forestry?: Not very important

Improving review and reporting requirements: Important

What improvements could be made to the five yearly review and consultation processes?:

What improvements could be made to support the day-to-day implementation of RFAs?:

What further research and monitoring could be important to consider for future RFAs?: Independent wildlife monitoring and tracking. Establishing areas of plantation timber sources.

What improvements could be made to RFA related communication?:

What improvements could be made to the RFA implementation

3/9/2018

NSW Department of Industry Mail - Regional Forest Agreement framework questionnaire

framework to support a rolling
extension mechanism?:

What other improvements could
be made to the RFA framework?:
