# GROUP BIOSECURITY PERMIT

*NSW Biosecurity Act 2015*

I, Chris Anderson

in accordance with sections 333 and 336 of the *Biosecurity Act 2015* (**the Act**), hereby grant a group permit (**the permit**) to the following class of persons:

Beekeepers and anyone dealing with bees and beekeeping equipment.

This permit authorises the following conduct that, but for the permit, would or might contravene a requirement imposed by or under the Act (subject to stated conditions of this permit):

Moving or causing the movement of bee hives and components thereof through NSW to another state.

## This permit is subject to the following conditions:-

1. A hive that is contaminated with or suspected of being contaminated with American Foulbrood may be moved through NSW in transit to another state if:
  - a. Prior to movement into NSW:
    - i. Any bees within the hive have been euthanized; and
    - ii. The hive and its components have been made bee proof; and
  - b. During transit within NSW:
    - i. All hives and components thereof must remain bee proof and must not be opened or unloaded within NSW; and
    - ii. The hives and components thereof must be transported to the interstate destination by the most direct route in the shortest time possible; and
    - iii. Any damage to the hives and components thereof that occurs within NSW rendering them no longer bee proof must be reported immediately to NSW DPI Biosecurity and Food Safety by calling 1800 680 244.

### NOTES:

This is a new permit.

Commencement:

On date of signing.

Duration:

5 years

### Definitions:

**American Foulbrood** means the bacterium *Paenibacillus larvae*.

## Guide to the Group Biosecurity Permit

### Information about the group biosecurity permit

This permit is issued under section 333 and section 336 of the *Biosecurity Act 2015* (the Act). A person is not guilty of an offence against this Act or the regulations under this Act if the person was authorised to engage in the conduct alleged to constitute the offence concerned by a permit in force under this Act.

It is an offence to contravene a condition of a permit.

### Penalty for not complying with the group biosecurity permit

The maximum penalty is:

- in the case of an individual—\$220,000 and, in the case of a continuing offence, a further penalty of \$55,000 for each day the offence continues, or
- in the case of a corporation—\$440,000 and, in the case of a continuing offence, a further penalty of \$110,000 for each day the offence continues.

The maximum penalty for an offence that is committed negligently is:

- in the case of an individual—\$1,100,000 and, in the case of a continuing offence, a further penalty of \$137,500 for each day the offence continues, or
- in the case of a corporation—\$2,200,000 and, in the case of a continuing offence, a further penalty of \$275,000 for each day the offence continues.

### Conditions of a group biosecurity permit

Under sections 348, 349 and 350 of the Act, an authorised officer may impose conditions on a permit at the time of granting or renewing a permit, or at any other time by variation to the permit. The conditions of a permit may include (but are not limited to) conditions for insurance cover, conditions for biosecurity audits, and conditions requiring financial assurances.

### Limitations of a group biosecurity permit

A permit does not authorise any conduct in contravention of an emergency order, or a biosecurity direction given in the case of an emergency unless the permit is an emergency permit and the permit is expressed to apply in relation to the emergency concerned.

An authorised officer is not authorised to grant, renew, suspend or cancel an:

- *Emergency permit*, which authorises conduct that, but for the permit, would or might contravene an emergency order, or a biosecurity direction in the case of an emergency, and that is expressed to apply to the emergency concerned.
- *Prohibited matter permit*, which authorises dealing with biosecurity matter that is prohibited matter

### Variation of a group biosecurity permit

Under section 344 of the Act, an authorised officer may, at any time, vary a permit by notice in writing. The variation includes the imposition of new conditions on a permit, the substitution of a condition, or the omission or amendment of conditions.

An application for variation to this permit can be made by the permit holder in an approved form and must be accompanied by any relevant information or evidence that the decision maker requires.

### Refusal to grant / renew a group biosecurity permit

An authorised officer may on application or using their own initiative, renew or refuse to renew a permit. Section 346 of the Act sets out matters that the Secretary may consider when making a decision to renew or refuse a permit. An authorised officer must give an applicant written or oral notice of a decision to renew or refuse to renew permit. If a notice is provided orally, a written confirmation of the decision must be provided as soon as practicable.

### Suspension or cancellation of a group biosecurity permit

An authorised officer may, by notice, suspend or cancel a permit if the authorised officer is satisfied that there are grounds for the suspension or cancellation of the permit. Section 352 of the Act sets out general grounds for suspension or cancellation of a permit.

A person may also apply for the suspension or cancellation of a permit.

### Rights of appeal

No appeal can be laid against any decision about a group permit.
